### PARTNERSHIP & ALLIANCE LEAD

Execution-focused alliance leader building and operating partner ecosystems for early-stage and Series A & B SaaS platforms. I specialize in the hands-on work that keeps partnerships productive: prospecting, recruiting new partners, and activating dormant partner cohorts. I bridge the gap between complex products and global sales, maintaining day-to-day engagement to support joint co-sell motions and predictable pipeline progression.

### CORE EXPERTISE

- **Partner Activation & Enablement:** Dormant Partner Re-Engagement, Onboarding, Primary Point of Contact.
- **Program Support & Recruitment:** Partner CRM Management, Outbound Sourcing, Opportunity Visibility.
- **Cross-Functional Co-Selling:** Deal Progression, Executing CMO-led Strategy, Privacy/Compliance Expertise.

### PROFESSIONAL EXPERIENCE

#### GTM Consultant

*Fractional GTM Operations & Partnership Strategy | Aug 2023 – Present*

- **Revenue Architecture & Recruitment:** Architecting and building the early-stage partner ecosystem and outbound pipeline infrastructure for active B2B SaaS clients (including Talsmart and Mock That Interview).
- **Partner Sourcing:** Developed the 'Signal Refinery' using Python and LLM workflows to conduct outbound outreach and identify new partner prospects aligned with the target market, reducing manual pipeline research overhead by 80%.

#### Senior Manager, GTM Strategy & Partnerships

*Fudo Security (Compliance, Security & Data Governance SaaS), San Francisco, CA | Feb 2024 – Nov 2025*

- **Program Execution:** Built the Americas Channel program from the ground up, managing day-to-day partner engagement across a portfolio of MSPs, agencies, and consultancies. Drove 160% YoY pipeline growth.
- **Dormant Partner Activation:** Served as the primary point of contact to re-engage existing dormant cohorts. Activated Tru Technical Partners, supporting enablement and generating a \$50,000 joint opportunity within 7 days.
- **Co-Sell & Deal Progression:** Collaborated with internal sales teams to progress complex enterprise deals (O'Reilly, Horizon Organic) from cold outbound to closure via 30-day POCs, leveraging regulatory compliance as the primary closing wedge.

- **Program Support:** Supported opportunity visibility and automated CRM lead routing workflows (saving \$424K annually). Surfaced partner feedback to execute directly against a CMO-led GTM strategy.

## **Group Manager, Global Business Development**

*SenseHQ, San Francisco, CA | Jan 2021 – Apr 2023*

- **Global Pipeline & Co-Selling:** Built outbound execution systems and managed a team that generated \$10M in qualified joint pipeline for a rapidly scaling Series D AI platform.
- **Partner Tooling & CRM:** Integrated intent signals into the partner CRM and operationalized scalable messaging frameworks, successfully increasing partner co-sell response rates by 125%.
- **Retention Operations:** Developed behavioral churn-detection logic to trigger automated retention alerts, surfacing insights that reduced customer attrition by 12%.

## **Enterprise Account Manager**

*SurveyMonkey, San Mateo, CA | Feb 2019 – Jan 2021*

- **Strategic Expansion:** Managed a \$300M+ enterprise portfolio of 700+ accounts, acting as the primary point of contact to ensure technical adoption and strategic expansion.
- **Revenue Generation:** Identified and closed \$300K+ in expansion revenue by integrating survey feedback data into enterprise tech stacks and capturing technical signals.

## **GTM Strategy**

*Sanho Corp, Mountain View, CA | Feb 2015 – Feb 2019*

- **Channel Infrastructure:** Built commercial execution infrastructure and directed global logistics for high-volume retail distribution networks and reseller product launches.
- **Logistics Visibility:** Optimized supply chain data reporting for strategic partners (including Apple and Best Buy), reducing fulfillment latency by 30%.
- **Scale & Execution:** Managed cross-functional operations for a \$3.1M crowdfunding launch, building the supporting operational and reporting systems.

## **Operations Analyst, Google Shopping**

*Google, Mountain View, CA | Aug 2014 – Jan 2015*

- **Data Governance:** Architected data integrity frameworks to support global revenue modeling, financial reporting, and operational scalability for the Google Shopping index.

## **EDUCATION & AUTHORITY**

- **Santa Clara University:** MBA (Executive Program) | Guest Lecturer on GTM Strategy
- **University of Phoenix:** B.S., Psychology
